

## Hampshire League Cross Country Kings Park 5<sup>th</sup> Dec '15

Windy and occasionally wet conditions made this fixture tougher than usual but it didn't stop many fine performances with three of the under 18's finishing in the top 20. In the Senior Women Sarah Swift had company with Deveena Tweed and Sarah Barrett in the worst weather of the afternoon. The Senior Men with a team of 8 were led home by the rising star, Tom East, and the team achieved the season's best position coming 2<sup>nd</sup> team in Division 2. Many thanks to team manager and Poole Runner of the year, Annette Lewis supporting the whole team from under 13's to the Veteran Men.
