

Popham Hampshire League XC.

An excellent afternoons XC at Popham Airfield in the Hampshire XC League. All round good performances in some very testing condition, wet, wind and very muddy under foot.

Fielded teams in both u/15 boys, u/17 boys as well as Senior and Vet Mens.

Great individual performances from all the Juniors and strong team performances from the boys teams. Big thank-you to Andy Howse for bolstering our Mens Team and well done to Khalil who finished with a pulled muscle just to make sure we had a full team finish(don't think he had ever seen conditions like that).
